FREQUENTLY ASKED QUESTIONS (FAQS) AT

FOREVER TRUE FRIENDS
FOUNDATION

ANSWERED BY THE FOUNDER, MRS. JANE GERBS

Q. Is the organisation registered?

A. Yes, I have registered with the Registrar General and NPO.

Q. Why do you want to help them?

A. I feel bad if I see someone suffering. So, if I can, I help in any little way.

Q. When did you start doing charity work?

A. Almost 20 years ago.

Q. When did you start welcoming children to the shelter?

A. In 1st February 2019.

Q. What's your source of income and how do you take care of their expenses?

A. I'm a businesswoman, and I get support from my family and good friends. As well as donations made by generous people, which goes towards the feeding and welfare of the children.

Q. How do you meet the children you take care of at the shelter?

A. The children are introduced by community leaders, family members, churches, or religious organisations.

Q. Do you get help from the government or social welfare?

A. No.

Q. Do you rent the house, or is it your property?

A. The property and house belong to my family.

Q. Your foundation supports children from what age?

A. From day one to 10 years with very good reason to be at the shelter.

Q. And what age can they leave the shelter?

A. Whenever it is safe for the child to be out there and they are fit to live independently. For children with external relatives, they can leave the foundation if they complete their education and any relative of the child is willing and capable of taking good care of them.

Q. Do you allow people to adopt?

A. No.

Q. Do you have volunteers to help you take care of the shelter? Or do you pay people to help you care for the children?

A. I don't have any volunteer at the shelter. I have six paid caregivers that help me care for the children.

Q. What religion are you raising them with?

A. I'm a Christian. So, I am raising them to believe in God and Jesus Christ as Christians. After 18 years, they can choose what they want to be.
